## 2015-2016 Highlights

### Student Comments

Was pleased with the personal feedback to the questions I had. The response time was impressive as well. Appreciative of the service. *Such an incredible service. Valuable comments and constructive criticism. The right amount of compliments mixed with criticism.* Thank you for all of your help. I use this service for all of my essays. Comments are thoughtful, insightful, and very helpful. I don't know what I would do without eTutor! *I really liked the in text help and the links that were sent for extra advice. None of the information given was confusing. I wish I would have asked for help sooner. It would have saved me hours of frustration & tears! This service is invaluable. I am very grateful. Love this service. Can't believe it's free.*
